**Abstract**

Too many of us are not living our dreams because we are living our fears

**Outline**

1- Introduction

Thesis statement = Because of living of fears, too many of us are unable to live dreams. Fear of individual makes him low-confident, a poor decision-maker, a fragile social member etc. Growing fear of society put oxygen in fear at wider levels. However, some measures can decrease fear of individual to live dreams.  
(52 words)
