

Outline

Pakistani Women have the same chances as men:

1. Introduction

Thesis statement: It is necessary that women have the same chances as men in every society. In Pakistan, women have no same chances as men because of patriarchal culture. By using checks and equal representation in all fields, there will be a chance for equality in society.

2. How Pakistani women have same chances as men

3. Pakistani Women have no same chance as men (Thesis)

- Paucity of women in government and private institutions
- Inadequate education and healthy facility for women
- Women are prone to patriarchy in Pakistani culture
- Lack of participation in legislative activity
- Backwardness in sports and recreational activity.

4. Pakistani women have the same chances as men ^(Anti-thesis)

- Fixed quota in government and private institution other than general ^{seats}
- Equal education and healthy facility for women in Pakistan
- Globalization ends patriarchy in every culture
- Allotted seats for women in legislative other than general seats
- Equal sports and welfare initiatives for women by the government

5. Even being closely linked but Pakistani women have no same chance as men (Synthesis)

110

- (a) For millions only few percents never means equal chance.
- (b) Only urban enjoy this equality but rural do not.
- (c) Economic and decision making is still in men control.
- (d) Party and dynasty politics never give equal chance.
- (e) Hardly three city enjoy this right else remain in backwards.

6. Conclusion.
