

Day #02.

Today, is the day second of my 78 days CSS preparation, which is almost consists upon these six 26 months. I have divided these six 26 months into six phases. First phase is called phase I. phase I consists upon 9 months from 1 Dec to 30 Sep. I know from Dec to Sep, its 10 month but one month is reserved for my wedding planning etc. It may be in march or April. So, this is how phase I is of 9 months. In these months I will make notes of compulsory and optional except English - Essay (compulsory) which I will practice in the month of October. also in these 9-10 month I will prep for daily study challenges 1 tasks, like idiom, phrases, pairs of words, synonyms, antonyms, vocabulary, Islamic verses, Urdu and Punjabi poetry. I will also with practice paragraph writing on daily bases and basic English Grammar, sentence correction Rule, Narration and translation. I have also reserved an hour for 120m. cog's practice

dear student this type of
useless and meaningless
writing is not checked
write something useful and
resubmit

on daily base. I have share the
first phase of my preparation
strategy here. I am coming
15 days. I will share each with
detail what from where I am
going to study or prepare these
task etc. I soon, I will
also share my timetable and
study hours.
