There has existed throughout the history of mankind a strange, albeit, an ironic relationship between the past and the future. The people who just eulogize their past without critical analysis and seek to recreate a utopian past almost invariably do not succeed, while those who view the past realistically, comprehensively and critically are able to draw on the past in useful, meaningful and lasting ways. They learn lessons from the history and apply those lessons for better future. Such people have confidence in their future, and they approach the past with seriousness and critical reverence. They study the past realistically, try to comprehend the values, aesthetics, and traits which invested an earlier civilization its grandeur or caused it to decline. They preserve its remains, and enshrine relevant and enriching images and events of the past in their memories both collectively and individually. They attempt to adopt the values and traits which led earlier people rise, and shun the reasons and mistakes that precipitated their downward journeys. In sharp contrast to them, people and governments with an uncertain sense of the future manifest deeply skewed and subjective relationships to their history. They eschew lived history, shut out its lessons, shun critical inquiries into the past, neglect its remains but, at the same time, invent at their own imagined and utopian past-always shining, splendid and glorious. As a matter of fact, they are never able to benefit from their past. They study history, but learn nothing from history.

Q. No. 9: Translate the following passage into English.

تاریخ گواہ ہے کہ پاکستانی قوم نے ہمیشہ محرمات اور بہادری سے ہر چیلنج کا مقابلہ کیا ہے اور اللہ کے فضل سے ہمیشہ سرفراز ہوئی ہے۔ روایت گروہی کے مقابلہ میں پہری قوم نے جس طرح اپنی سائنس اور قانون نافذ کرنے والے اداروں کا ساتھ دیا وہ اپنی مثال آپ ہے اور مسیح افواج اور دیگر اداروں کے نوجوانوں نے اپنی جان کی قربانی دیکر روایت گروہی کو جس طرح گھسٹ دی وہ سنہری حروف سے لکھنے کے قابل ہے۔ اللہ کے فضل سے ملک میں امن قائم ہو چکا ہے۔ قرآنی کی حالت بہتر ہے۔ ملک میں ہائی ٹیک کے نئے آغاز ہیں۔ یہ سب گلے معیشت دن بدن مطلوب ہو رہی ہے۔ ہمسایہ ممالک خاص طور پر عرب ممالک کے ساتھ تعلقات روز بروز بہتر ہو رہے ہیں۔ آج پاکستان گلے میں اہل کار، مطلوبہ پیمانہ اور ترقی کرتے ہوئے ملک کی حیثیت سے ابھر رہا ہے۔ اللہ پاکستان کا مستقبل روشن ہے۔

Translation

bears witness that

History reveals that Pakistani nation has always confronted every challenge with bravery and courageous, and with the blessing of Allah, it has always succeeded. As the ~~operation~~ supported Pak Army and other law enforcement ^{agencies} institutions against terrorism, it is a great example. Similarly, the young of Pak Army and other institutions checkmated terrorism by sacrificing their lives that is worth to write ^{worth to be written in} ~~in~~ the golden words. With the grace of God, peace has become possible in the country. Energy generation has become sufficient, new sources of water are under progress, and economy is becoming stable. Moreover, diplomatic relations with neighbour countries particularly Arab countries are becoming better day by day. Today, Pakistan is growing as noble, strong, peaceful, and prosperous country in the region. The future of Pakistan is bright, in sha Allah.
