Academic Paragraph Structure

(Sub-heading: Negative effect of social media on youth)

↳ Topic Sentence:

In the recent years, Gen Z is suffering from the adverse effects of social media.

↳ Explanatory or reasoning sentence:

Due to excessive usage of social media and increased dependency on it for minimal tasks is ruining the mental and social capability of youngsters.

↳ Supporting point:

Social media is depriving youngsters of effective time management that is the leading cause of several social, mental, and physical health problems.

↳ Example:

Recent research showed that the excessive social media use leads to poor time management that in turn causes mental and physical health issues like stress, depression, anxiety, and sleep deprivation.

↳ concluding sentence:

Social media is a weapon for youth that should be used carefully or else it will backfire causing negative and awful consequences.
