Comprehensive?

1: What can be inferred from the passage as the main goal of education?

It can be inferred from the passage that there has been increased in number of educational institutions in Pakistan. It is taken as pride moment but if the students have only theoretical knowledge, not practical then they become burden on the country. Developed countries from all over the world do not allow everyone to enter university until one has capability. Therefore, we need to think about it and let higher education should be open for deserving ones.

What is the benefit of guiding students in the choice of careers?

The benefit of guiding students in the choice of career is that students pursue their interests and expell their skills in it. They get jobs in return easily and do not become burden on the family.
