Laziness : A world saving virtue.

According to author, evils in this world are not due to laziness but because of people who are always active but lack direction. If busyness equates goodness, devil will be the finest creature in world. Undoubtedly world is full of energetic people but their energy is often misdirected. This has led to chaos as it lacks kindness and purposeful direction. In the past, wars could have been avoided if the world leaders had embraced moderation and had taken benefit of leisure. Even today, modern stakeholders can significantly contribute if they focus more on enjoying nature and restoring their mental peace, rather than organizing conferences that prioritize trivial matters over actual problems.

Pakistan is determined to secure peace in Afghanistan because peace in Afghanistan is extremely important for Pakistan. Historically, Pakistan and Afghanistan being neighboring Islamic brethren countries are bound to historical, cultural and linguistic relations. These relations are unbreakable. Both countries depend on each other and neither can live without each other. Pakistan's stance has been since day one that a political solution to Afghanistan problem be found. Even China supports this stance. China has said this

context that Afghan problem can only be solved
through peace talks involving Afghan leadership.
Pakistan and China for strategic partnership will
play their role in resolving Afghan conflict

2017 translation passage.

To know our hidden flaws, it is necessary to ~~see~~ ^{understand} what our enemies speak of us. Our friends often praise us according to our liking. Firstly they don't consider our weaknesses as weakness or hide them to not make us sad. Or they also ignore them. However, our enemy criticizes us and search for our weaknesses from every possible angle. And then makes a mountain out of trivial thing. A friend always enhances ~~his friend's~~ ^{one's} virtues while enemy enhances flaws. That's why we should ~~be~~ more thankful of ^{our} enemy as he exposes our weaknesses. ~~An enemy is better than friend in this context.~~ In this context, an enemy is better than friend.
