emotions. No one is able to think beyond this prison. The second danger is that we as an older generation have failed to give solution to the crisis like political and Economic to our new generation.

Ans. To explore inner life is an important phenomena ^{in a person's life}. By exploring inner life one is able to stand against opposing forces. The Indian ~~Muslim~~ Muslim has long ceased to explore the depth of his own inner life. This is the reason they are in danger of coming to an unmanly compromise with the forces opposing him.

Ans:- A firm faith in the independence of one's inner life is necessary for an achievement.
