The Holy prophet saw as a Role model
for an Educator.

importance of education:

Education plays an important role in
the life of every individual.

As through education one can
differentiate between good and
bad. The importance of education
can be understood by this that
it is one of the primary duties of
the prophet SAW. Before the prophet-
hood there were only few people
in Makkah who could read and
write. Basically all the prophets,
irrespective of their professions they
were teachers as their main
job was to convey the message
from God to human.

In one of Hadith Holy prophet SAW
mentioned "I have been sent
as teacher to you". The Holy prophet
SAW also taught ideas for increasing
of knowledge like "O Allah I ask
you for knowledge which benefits"

In Makkah the Holy prophet SAW
built the first school or institution
for learning which is known
as Darul Arafah. where the Holy
prophet SAW would teach the
teachings of Islam to his
followers.

when someone will come to know about any thing about a problem the Holy prophet welcomed him with open arms. The Holy prophet SAW would sent his companions to different parts of world to spread the knowledge among people. Then in madinah the Holy prophet SAW established the first school for religious learning which is named as sunna. From the above mentioned events we know can say that education is very important for us as Holy prophet SAW has done this much for education.

The Holy prophet SAW is a role model for an educator
 " I have been sent as a teacher"
 Our Holy prophet SAW was sent as a teacher/educator to teach Islam to us.

Here ~~will~~ we will ~~to~~ explain that how he is a role model for an educationist

3) Encourage contemporary knowledge
The Holy prophet SAW just not
encourage religious knowledge
but also encourage contemp-
orary knowledge. As Umar RA
was expert in the knowledge
of stars navigation, Harad
Abu Bakr RA was expert
in Dammly trees and
Harad Zaid bin Thabit was
expert learning languages.
The Holy prophet SAW himself
order the Zaid RA to
learn Hebrew language as
the language of Jews so when
the Jews will write letter
to ~~the~~ Holy prophet SAW
he ~~so~~ will translate and
~~write~~ it to him and
also when Holy prophet
SAW write ~~the~~ letter to
Jews Zaid RA will write
it for him as the
the Holy prophet SAW
do not believe on Jews

From the above discussion
we can conclude that
~~there~~ there is no better
~~role~~ role model for an

educator than Hazrat Muhammad SAW as he taught every aspect of teacher education. Muhammad SAW is the best role model for an educator.
