

SUPPRESS THE CHILD

ASSET ARE SUPPRESSED

Money cannot be waste by anybody because it has value. then why we push children into suppressing behaviour. Now-a-days, Nursery, and Prep are classes of school which is responsible for children rude behaviour toward other. Teachers are punishing with corporal. when a father, spiritual parent are teaching children with stick then how we can expect that children will show mercy upon future generation. Nobody can tell that future generation is not only consist of offspring. On the other side of coin, it also consist of institutions, politics, justice and society. The people who will performing duties in public and private sector are our children. According to wordsmith, "the child is father of Man". Moreover, our children is facing abuse and also performing abuse through addition in long term

memory. According to Islamabad based NED, children faced abuse around 4253 in 2022. Now, one can guess how much ^{will} increase in number. Population of the country is growing day-by-day. Nobody is taking initiative about population enhancement because tyro leadership is making policies about children and immense population. According to census authorities, our population has grown from (2017. mill^x) 207 million to 241 million. Billim of rupees are allocate to respective authorities but no result. Governance of human capital like children is in dark street. Even, in the universe God is change day into night and night into day but senior leadership ~~is~~ ^{has} forgotten nature's law.
