Predict

Absurdity in Advertisements

Television commercials are unrealistic, and they continue to be so despite of many complains. These advertisements portray situations that are fancy and by no means real. A bizarre scenario is often shown in which the product of the commercial saves the day. These commercial though funny can be off-putting and hence fail to serve their purpose. Manufacturers don't realize this ineffectivity and continue to waste their money by hiring ^{such} advertisers who seem unaware of real life problems.

Q3

1. Main goal of education is to train individuals so that they can become a national asset.

Human resource is the greatest asset ^{that} any country ^{can acquire} has and hence education's purpose is enhancement of this asset.

2. Guiding students in choice of career is essential and beneficial as it helps them focus on their area of interest. It saves them from acquiring useless information.

3. The only direct question in paragraph that enquires if higher education is essential to reach human resource, has been answered negatively as later it is revealed that developed nations don't encourage pursuit of higher education.

4. The following sentence captures the central point and can be considered as the topic sentence.

"In contemporary world human resource has emerged to as a greatest asset of unequivocal primacy, and education aims at creating and enhancing that resource."

5- The following sentence looks redundant and out of place

"The admission criteria and fee structure of these colleges and institutes vary according to a number of factors"

If we exclude this we find that sentence preceding this one, is connected to the one that is after this one.

Q4:
