

Precis 3 composition:

Swarup: Well, you can't get a degree if you don't pass the examination; and I have set my heart on being a graduate.

Jack: And pray what good will graduation do, you? You may get a clerkship in a government office; but that's all, and there are hundreds of fellows who have got their degrees, and are getting jobs of any sort.

Swarup: That may be so; but I am not studying so much to pass my examination and obtain my degree, as to store my mind with knowledge and develop my intellectual faculties.

Swarup told him you didn't get degree without examination and I wanted my self to be graduate.

Jack sarcastically said ~~what will your graduation~~ you did not get anything with graduation. As he said there are a lot of people with degrees and did not get any jobs. Swarup politely told him that I did not study for examination, I studied to improve my knowledge and intellectual skills.
