

Television commercials do not get change though its viewers complaints about ~~the~~ them being so unrealistic and idealized. By comparing them to real life, they seem ridiculous. They represent things in relation which are far from reality in real life. Likewise it depicts spouse relationship that rarely exists. They are unaware of the fact that their product is not promoted by these ad commercials although they make much of the profit through them. These commercials are viewed because the viewers can't change the channel or watch them for the sake of laughing.

Title: "Irrelevant Television commercials"

Q:3 "Reading comprehension"

Ans:1: "The main goal of education"

According to the passage, the main goal of education is to produce skilled lot including scholars, scientists and researchers. They should be market-oriented. Only those should be given the opportunity to attain higher education who have interest in research and scholarly aptitude.

Ans:2: "Benefit of guiding the students in the choice of careers"

It is very beneficial to guide the students in the choice of careers. They retrospect and point out their natural tendencies about a field. If they have the aptitude of getting higher education, they pursue it or rather go for diploma and short courses and adapt to the increasing demand of the market.

Ans: 3. Yes, the following statement in the paragraph is the direct answer to the question in negative i.e. "No one can deny the pivotal importance of education for the progress and prosperity of a nation."

Ans: 4:- Topic Sentence.

Following is the topic sentence of this passage because it holds the central point of discussion; "We need to realize that, unlike the fundamental right of basic education, higher education should be treated as a privilege of the deserving ones."

Ans: 5:- The following sentence looks out of place and seeming a later addition rather than part of the original in the context of this paragraph; "The admission criteria and fee structure of these colleges and institutes vary according to a
