The second part of the Kalimah of rifics that God has not left man without any guidance for the conduct of his life. He has revealed this guidance through the prophets, and Mu -hammad was the last prophet. Every prophet of God, according to the Quran, strove to build many relationship with God on the principle of His sovereignty and the individual's acknowledgment of the authority of the prophet as a source of divine guidance. Every one of them said: I am to you God's apostle, worthy of all trust. So be Committed to God, head him, and obey me." All of the Prophets are representa tives of Allah, but they are human beings and their lives are models for mankind, Muhammad, since, he was the last prophet, is the final model for the markind.

C. Life After Death

ص جادبالحسنة فله وشرا امثالهاه

(Quran 6:160)_

"Whoever comes with a good deed will be rewarded tentald."

The world, according to Islam, is a place of tral and man is being Judged in it. He will have to give account of all that he does herein. Life or the earth will, one day, come to an end. And after that a new world will be resurrected. It will be in this life-After-death that man will be rewarded or punished for his deeds and misdeeds. Those who live in the present world a life of obedience to the lord will enjoy extend bliss in the hereafter and these who disobey His commands will have to gamer the bitter fruits of their disobedience.

Salient Features of Islam:Here are some salient features of Islam:

(ii) A complete Code of life
Alah says in Surah Aal-e-Imran:
first add description and then add reference.
الى السين بعد الله الاسلام ه
(آل کران: ۱۹)
"Indeed, the religion in the sight
of Allah is Islam."
AA
Islam is the religion which presents a

complete code of life based on Allahiz povereignly and requires from humans to adopt and Jollow It whole heartedly. Bec owe bowing before Allah and acting upon His commandments is the true meaning of Islam. At another place in Surah Aal-e-Imran Allah one reference is enough for a single heading. ولك نتلوم مليك من الليت والذكرالي what we recite to you of the verses and the Message that is full of wisdom! (1111) A Universal Code Prior to prophet Muhammad (PBUH), all prophets were sent towards specific people's or territories but he has been sent as a memerger to the entire humankind. وماارسلتك الارجة للعلميري (الانبياء: 401) "And we have not sent you but as mercy for all the "spoken

(iv) The most perfect code If there is a flow or defect in a thing that is called defective or imperfect but if it is perfect, it become beautiful and adorable. Allah says in the Holy Quran: This day I have perfected for you your religion and completed my Javour upon you and have approved for you Islam as religar (V) A code that unifies religion and worldly life: Islam rejected the man made dichotomy between the world and the religion as was prevalent in some religions. For instance, Islam Giticises christians for their own-imposed religious restrictions on themselves - Allah Almighty says in this regard:-ربها اننا في الدميا هسنة وفي الافرة مسنة وتناعداب المناده (البره: ١٥٤)

"Our Lord Clive unto us in the world that which is good and in the Horeafter that which is good, and guard us from the doom of fire."

(Vi) A Comprehensive code for both

Individual and collective needs

By making man responsible individually as well as collectively, Islam halds
man accountable before Allah.

The Haly Prophet (PBUH) has said:

Everyone of you is shepherd and is responsible for his

(Vii) A Balanced Code

From all its aspects and dimensions,

Islamic code of life is a balanced
and moderate one. The Haly Prophet

(PBUH) has said:-

The best of all dealings
is the one which is mo
-derate."
try to diversify your arguments. most of the feaatures you have added revolve around a single or two points.
(Viii) Simple yet rational code
Islam profeses simplicity and the whole
life of the Holy prophet (PBUH)
presents a sublime example of it.
It has been said in the Holy Quani-
وما جمعل عليم في الدين من حر 50 (الح: 78)
(78: 2007 or
rational and logical.
"And did not impose any hardship
"And did not impose any hardship on you in the religion."
J J
As is said in the Holy Quani-
ا ولا تعقلون ه
"Have you then no sense"
Final thoughts:-

To Conclude that, Islam, which means acknowledging the sovereignty of Allah, is first and foremost a manotheistic system of belief and practice. In the simplest sense, then a muslim is a person who submits to Allah. Followers of Islam aim to live a life of complete submission to Allah. They solvered that nothing can happen with Allah, permission, but humans have free with

work on the structure of the answer. less description and more arguments.
