Re-construction of Morals

A person must ^{be} aware of his intelligence and ^{know} the art of utilizing it for playing a positive role in society. ~~Often~~ social morals ~~are associated with religion~~ ^{were the responsibility of religious clergy} but the ~~great~~ ^{took} of people reached humanity to the point that ~~god~~ ^{politicians} exists. ~~The~~ ^{responsibility} person has no affiliations with social values, but only mind ~~but~~ in seeking more power. The teachers have the ~~power~~ ^{taught} ~~or tendency~~ to create moral sensitivity within human's sub-consciousness. The masses must be exercised to be empathetic members of society.

Idea is generally ok but mistakes found. Grammar needs improvement.
