## Oracles: the voice of Greek gods

Human beings <sup>wanted</sup> ~~a~~ communication with the divine power to resolve their mysteries of life. In ancient Greece, the soothsayers ~~were~~ <sup>God</sup> ~~decoding~~ the wishes of nature by <sup>gave</sup> ~~delivering~~ oracles. The soothsayers ~~were~~ <sup>gave</sup> oracles using different omens. However, sometimes gods descended their desires directly through an intermediate. The oracles were placed in temples and were directly associated with any of the gods. Among them, Apollo was the respected soothsayer, who conveyed the decisions of Zeus to mortal.
