Translation

Please include the original text in the pdf.

Think a while! How can you be happy? When you are celebrating Eid festivity and you passed by ^{secretly} by the Forced and helpless people. You should support such people. Your happiness will increase as much as you share it with them.

Translation

There are many reasons, ^{behind unemployment of} ~~that country~~ like ~~Pakistan~~ large number of population of Pakistan ~~is unemployed~~. Increase in population, slow growth of economic sector and fall of cottage industry are some of those reasons; furthermore, these

are the major factors behind unemployment. Apart from this, the situation is so serious that ^{educated} literate people are ready to do the jobs of sweepers and government is not doing ^{its} its job seriously. Aside from these, a large number of population is linked with agriculture and this occupation only provides employment during the planting and harvesting of crops. ^{Besides} ~~Beside~~ ~~from~~ ~~it~~, ⁱ Increase in population is also a main factor and government is unable to provide them jobs.

Study the difference between its and it's.
