ACADEMIC PARAGRAPH STRUCTURE  
(Sub-heading: AI: An Intellectual Theft)

|                                      |  |
|--------------------------------------|--|
| Topic Sentence                       | The increasing trend of AI is <u>no</u> doubt serving as an intellectual theft.  |
| Explanatory or Reasoning sentence    | It is because of the impacts on intellectual abilities, <u>being</u> away and taking the readymade work from these tools.  |
| Supporting Point (1)                 | Use of such tools is causing <u>slow</u> learning process as effortless which is resulting in <u>lack of</u> problem solving abilities. These tools could also lead to the decrease in cognitive development and diminished memory capabilities. |
| Example (1)                          | development and diminished memory capabilities.  |
| SP2 (optional)                       | Because of the mentioned concerns some academic institutions such as French University Sciences Po, and New York public school have banned it.   |
| Ex 2 (to be written if SP2 is given) | source?  |
| Concluding Sentence                  | AI is <u>raising</u> cognitive concerns about learning. It is limiting the intellectual abilities of humans. Therefore it is being banned in academic institutions.  |
