Pre Writing

TV <sup>advertisements</sup> are not growing more realistically despite audience concerns. Makers always establish idealized characters in unrealistic setting. Their huge differences from reality <sup>make</sup> them humorous and disgusting. Marketers <sup>spend</sup> millions of dollars on such silly and useless commerials. These glossy advertisements <sup>do not</sup> promote the product they are shown for, but claiming a large number of views on such useless <sup>ads</sup> <sup>is</sup> are encouraging for makes. However, most of the viewers watch there <sup>ads</sup> to laugh <sup>at</sup> or ~~some~~ ~~changes channel~~ <sup>for lack of option</sup> immediately
