Circumstances of Women in Conflicts

Circumstances of women are terrible in conflicts. The main reason behind ^{it} is that women are ^{vulnerable} vulnerable, because they have multiple problems regarding their health, education and socialization. ^W When war starts, ~~so~~ girls and women are invariably affected. ^F For example, those women who are pregnant cannot properly be taken care regarding ^{their} their health. ^{Besides} Besides their health, they also face gender-based violence and ^{rate of} rate of child marriages starts increasing. In fact, women pay disproportionately for wars started and waged by men. In Israel-Palestine conflict, nine hundred women became widows, and five thousand five hundred and twenty two pregnant women are suffering from ~~lacking~~ ^{lack} lack of health care as per United women. Thus, in conflicts, women are severely affected.
