

ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Negative Impacts of social media)

Topic Sentence	Modernization has enabled man to access social media platforms that has several negative impacts.
Explanatory or Reasoning sentence	One such impact associated with it (although highly ignored) is the unrealistic life expectations it sets.
Supporting Point (1)	Day and day, one can witness that these social media influencers and celebrities post details of their life in an extremely exaggerated manner.
Example (1)	For example, the practice of not repeating outfits or having the latest makeup, jewellery, bags or perhaps even updated
SP 2 (optional)	latest iPhones is corrupting the minds of the new generation.
Ex 2 (to be written if SP2 is given)	
Concluding Sentence	This practice induces vanity and people, regardless of their social status, engage in collecting the latest accessories instead of focusing on saving or utilizing the same money in a better way.

(No. of words 112)

Simplify the concluding sentence
