## Unlearnt lessons

"History of Pakistan is repeated itself as in Farce & Tragedy"

History has repeated itself of Pakistan, we have not learnt any lesson from own history. we are facing these issues from independence of Pakistan, still we are standing there where we started our journey. we are facing issues of Leadership, political issues, military intervention in country, Government duties and handle according to own choice. Unstable economy of country ~~and~~ depends upon foreign aids and loan which are temporary solution.

First unlearnt lesson is antagonist politics where everyone is trying to build own empire with strict conditions and without transparency. Every Govt look strict actions against opposition parties to tackle Government for long time. There are no transparency in Government.

avoid Personal Proband

Repetition of grammatical structures and ideas

IS

Second unlearned lesson, intervention of Army in internal and external affairs of country by Zia-ul-Haq as Musharraf, Ayub has had dire consequences on Pakistan's Economy & other affairs. we gave a lot of GDP ~~economy to Army to~~ Defence system which is do not helpful useful for country.

use one word

Third unlearned lesson is fragile SP economy of country which is not stable since 1947 independence. we depends upon foreign aids loans and IMF which are temporary solution of economic issues. Therefore, we should have to take actions against economy for solution for long time which will be helpful for long term solution of economy.

Fourth unlearned lesson is religious extremism. As we saw a terrible incident Tehsil Jaranwala of District Faisalabad. Zia-ul-Haq took strict actions against religious is dire consequence on Pakistan issues, economy & peace.

Too many grammatical and spelling mistakes

Also, there is repetition of ideas

Fifth unlearned lesson is Human capital. Daily revise one component of grammar such as tenses, pluralization, subject-verb agreement etc and do not forget to do exercise of writing.

Other than summarizing articles, you can practice writing body paragraph as well

flood etc. Pakistan's 20 million child are out of school. Inflation in Pakistan is increasing day-by-day. There is no justice for common man. Pakistan is on ~~129~~ 129 from 140 country in justice system ranking. And inflation increase in this year 45 percent which leads to unemployment.

In nutshell, we should learn lessons from our history and do the reforms according to requirements & conditions in the field of stable economy, politics, Army & religious activities & propaganda. Then, we will be on the way on progress. Solutions of all the problems are handle to these main issues.
