committed

His disparager tagged him as vulgar due to his bold writings. He was committed to

realities

rigid

explores rigid realities orthodox purists

He desired to resolve enigma of society, that

that deeply rooted in middle and lower middle class.

human

In the eyes of manto, human nature is

complex not easily categorized as entirely

virtuous

virtuous or wicked. He was capable of establishing

of establishing

rapport with his readers about social issues.

He was well aware of wide gap between

appearance and reality, different human behaviours

that exist in society. He has hostile feeling

of mans lack of sensibility. Manto's work

parallels that of 20th century novelists.
