The holy prophet saw as a Role model  
for an Educator.

Importance of education:

Education plays an important role in  
the life of every individual.

As through education one can  
differentiate between good and  
bad. The importance of education  
can be understood by this that  
it is one of the primary duty of  
the prophet SAW. Before the prophet-  
hood there were only few people  
in Makkah who could read and  
write. Basically all the prophets,  
irrespective of their professions they  
were teachers as their main  
job was to convey the message  
from God to human.

In one of Hadith Holy prophet SAW  
mentioned "I have been sent  
as teacher to you". The Holy prophet  
SAW also taught ideas for increasing  
of knowledge like "O Allah I ask  
you for knowledge which benefits".

In Makkah the Holy prophet SAW  
built the first school or institution  
for learning which is known  
as Darul Arafah. where the Holy  
prophet SAW would teach the  
teachings of Islam to his  
followers.

Etiquette to his followers in  
every field of life from  
eating, sleeping, dealing with  
people to speaking in a nutshell  
he taught manners and etiquette  
about everything and the

said: when I was a boy under

and I was eating so the  
Holy prophet says to me O boy  
eat from the dish what is  
nearest to you ~~by the~~ and

3) Encourage contemporary knowledge  
The Holy prophet SAW just not  
encourage religious knowledge  
but also encourage contemp-  
orary knowledge. As Umar RA  
was expert in the knowledge  
of stars navigation, Haridat  
Abu Bakr RA was expert  
in ~~Drumly~~ trees and  
Haridat Zaid bin Thabit was  
expert learning languages.  
The Holy prophet SAW himself  
ordered the Zaid RA to  
learn Hebrew language as  
the language of Jews so when  
the Jews will write letter  
to ~~the~~ Holy prophet SAW  
he ~~so~~ will translate and  
~~write~~ it to him and  
also when ~~the~~ Holy prophet  
SAW write ~~the~~ letter to  
Jews Zaid RA will write  
it for him as the  
the Holy prophet SAW  
do not believe on Jews
