Every era brings ^{with itself} new ^{things} in ^{new} ^{ways} ^{that} ^{no} ^{one} ^{could} ^{see} ^{coming} has to accept them. Sometimes, it happens that nature tests us by bringing more things in front of us which is not for us but we have nothing to do with it, but we have to make it part of our lives. Even today, the same is going on. Every century brings such changes with itself which is new as compared to the previous centuries. Natural science has given more which can be termed as the waste of scientific and economic processes. Nature gives us fruit and also binds ~~us~~ fruit to properly dump off the peel. If it is not done, the environmental degradation increases.
