

You need to bring clarity in thesis and overview paragraph

~~Climate Ch~~

A Flooded Pakistan: Climate Change or Bad Governance

Outline:

1. Introduction

Thesis Statement: Pakistan has been flooded very badly due to climate change as well as bad governance. Climate change is difficult to control as it needs a long-term planning, but bad governance has enhanced its disastrous impacts. Good administrative measures are crucial to minimize such disasters

Or means you have to take stance

You cannot talk about both at the same time

upward
