## Precis CSS Special 2023

### Unrealistic Television Advertisements:

#### More Waste of Money and Time

The ~~television~~ <sup>advertisements</sup> ~~remain~~ <sup>are</sup> unrealistic despite complaints by the viewers. They have become either laughing stock or nuisance ~~due to~~ showing fancies far away from reality. Either a footballer is shown scoring continuous goals after having drunk ~~shown~~ or an expected groom is shown avoiding to hug his father-in-law for not using shampoo shown. Similarly, a manager is shown leaving meeting in the middle to get his favourite biscuits. A rarely existing relationship of male and female ~~and~~ wives worrying about useless issues of their husbands are shown. The viewers reported to ~~them~~ manufacturers may motivate them to expend huge capital but these unrealistic clips do not promote their product. In reality, ~~the~~ viewers watch these commercials for either enjoyment or they do not want to skip the channel.

incorrect interpretation

examples are omitted  
write generically

this sentence is too long

main idea is picked but the expression is weak  
need improvement in sentence structure
