What does Pakistan need more:
Charter of Democracy or Charter
of Economy?

Outline

1 Introduction

Thesis statement

Even though the two concepts are interlinked; however, the weightage of charter of democracy is greater than that of charter of economy in terms of stabilizing the political system of Pakistan. It pacifies the conflicting structures of the political system and generates a conducive environment where social, political and economic systems thrive.

2 Understanding the concept of charter of democracy and charter of economy with respect to Pakistan's political system.

3 How ~~Pakistan~~ charter of democracy can help in bringing sustainable stability in social, political and economic landscape of Pakistan.

(a) Charter of democracy can help in consolidation of democratic norms and principles in the political system.

(b) Civilian-supremacy can be attained through charter of democracy.

(c) Polarizing forces can be neutralized through charter of democracy.

(d) Through charter of democracy, functionality of the government can be centered on utilitarian principles.

(e) Charter of ^{democracy} government can enable government to structure unified and futuristic foreign policy for the attainment of national interests.

4 Counter arguments of the proponents of charter of economy

(a) Political objectives have failed to strengthen democratic principles in Pakistan.

(b) Civil-supremacy has been marred with political unrest due to inefficient economic governance.

(c) Dearth of economic opportunities has engendered polarization in society.

(d) Utilitarian functionality of government lies in economic unity through charter of economy.

(e) Charter of economy centers economic interests in foreign policy.

5 Charter of democracy encompasses multi-pronged strategies in stabilising social, political as well as economic course of the state.

(a) Politics is at the core of flourishing democracy and charter of democracy can help in stabilizing it.

(b) Strengthening of state institutions pro to civiliaid supremacy can be done through charter of democracy.

(c) Charter of democracy has the potential to pacify political and economic environment resulting in the elimination of polarization.

(d) Utilitarian conception is not exclusively economic and contains social, political and environmental factors as well.

(e) Futuristic and wide range of national interests besides economic interests can be translated in foreign policy of Pakistan with the help of charter of democracy.
