Sub-Heading:- Nuclear Challenge to World peace during the 21st Century

Topic Sentence: Nuclear Challenge is a grave threat to world's peace during the 21st century.

Explanatory or Reasoning Sentence: Nuclear Challenge is marked by the proliferation of nuclear weapons and the potential of their use in conflicts.

Supporting Sentence: Nuclear weapons are the lethal weapons capable of mass killings, and generate the security dilemma between states leading to tense situation which might result into the outbreak of nuclear war.

Evidence / Example: The creation and use of nuclear weapons ushered in growing tensions between the United States and the Soviet Union, both armed with nuclear weapons, during the Cold war made the threat of a nuclear war a real possibility.
