### Title:

### Role of Poverty in Human Life

Poverty polishes people intellectually and morally and to make them greatest. They accept the hard task with more spirit. History has witnessed that poor people are more courageous and truthy than rich. That's why poor are always happy in limited resources.

Poverty and misery are two different concept former is respectful but latter is shameful. due to its idleness. Therefore, poor are happiest people than rich.

Although, ~~wealthy~~ ~~wealthy~~ wealthy jealous the poor's happiness but not want to be among them.
