

Q6

Answer-

Introduction

"China is becoming  
a global  
leader."

(Fitch, S.P, Moody's)

CPEC is become a global mega project. In fact, China and Pakistan are celebrating the Decade of CPEC. However, it is a successful and faces several failures at the same time. But, CPEC seems to be a mega deal between Pakistan and China. Therefore, CPEC is a mega project between Pakistan and China.

2-

China Pakistan Economic Corridor:

Asian tiger

"CPEC is a successful  
mega project of  
Asia."

(Fitch, S.P, Moody's)

CPEC is a connectivity in Asian Region. Fortunately it is the world's successful mega project.

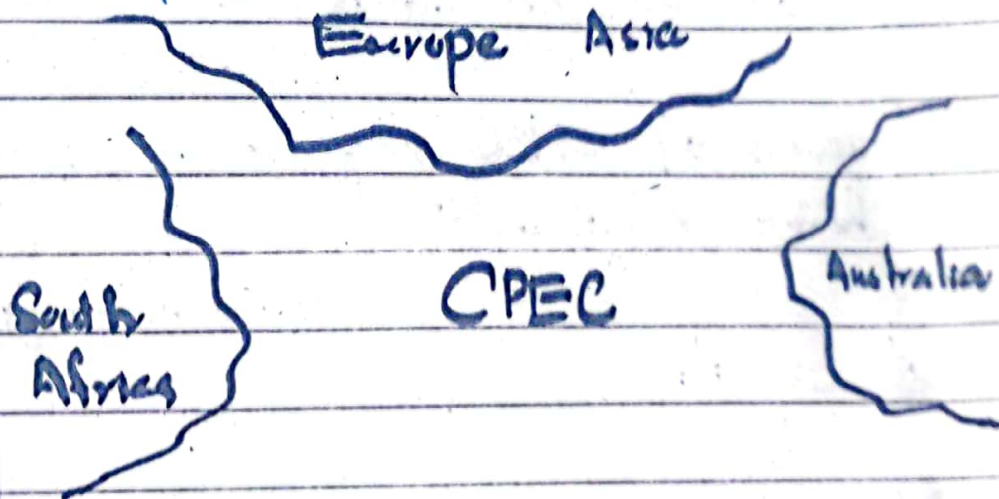

Figure: 01

Hence, CPEC is a mega Asian Project.

3- CPEC: Pak-China celebration the decade.

"On 1 July 2023, Pak-China celebrated the decade of CPEC."

(AI-Jazira, 2023)

Pakistan and China successfully celebrated the decade of CPEC. In fact, the project was initiated in 2013. Thus, both friendly countries celebrated its decade.

#### 4- Success of CPEC regarding Pak-China relationship

Following is detail of it:

##### a) Mega energy generation project

CPEC led to mega energy generation. In fact, the clean energy was promoted under this project.

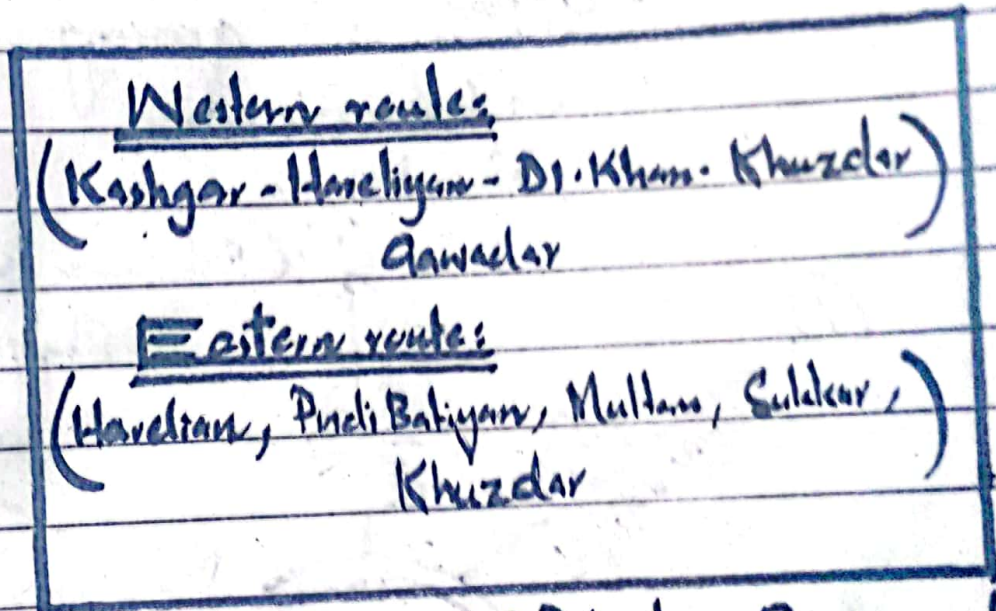

"About 18,000 MW to 25,000 MW of energy will be produced by 2029."

(China Bureau of Statistics)

Hence, CPEC is a mega energy project.

b) Mega infrastructural development: The Connectivity phase

Moreover, CPEC is also infrastructural project. In fact, it connects Pak-China:

(Pakistan Bureau of Statistics)

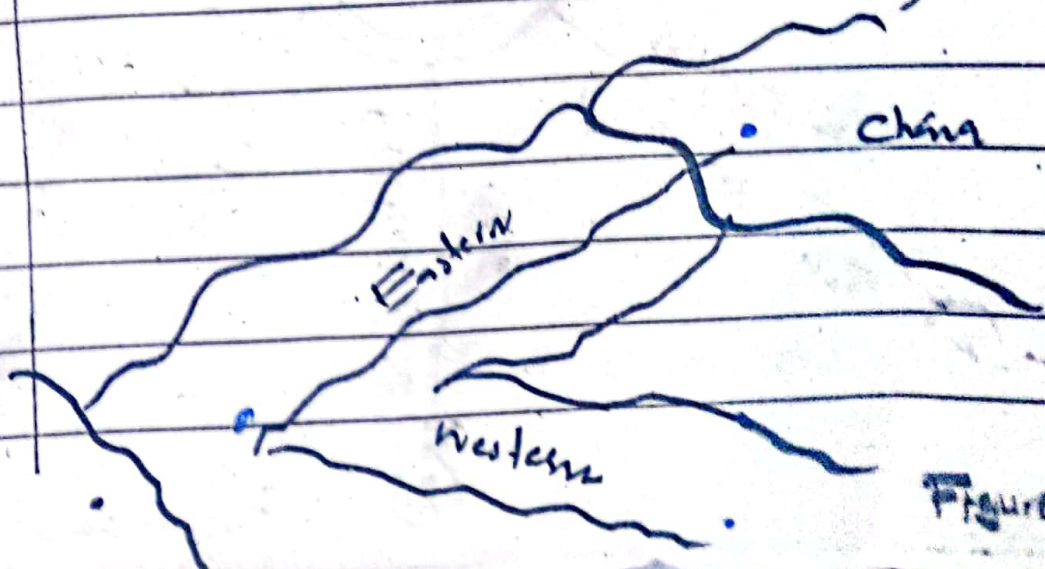

Figure 10

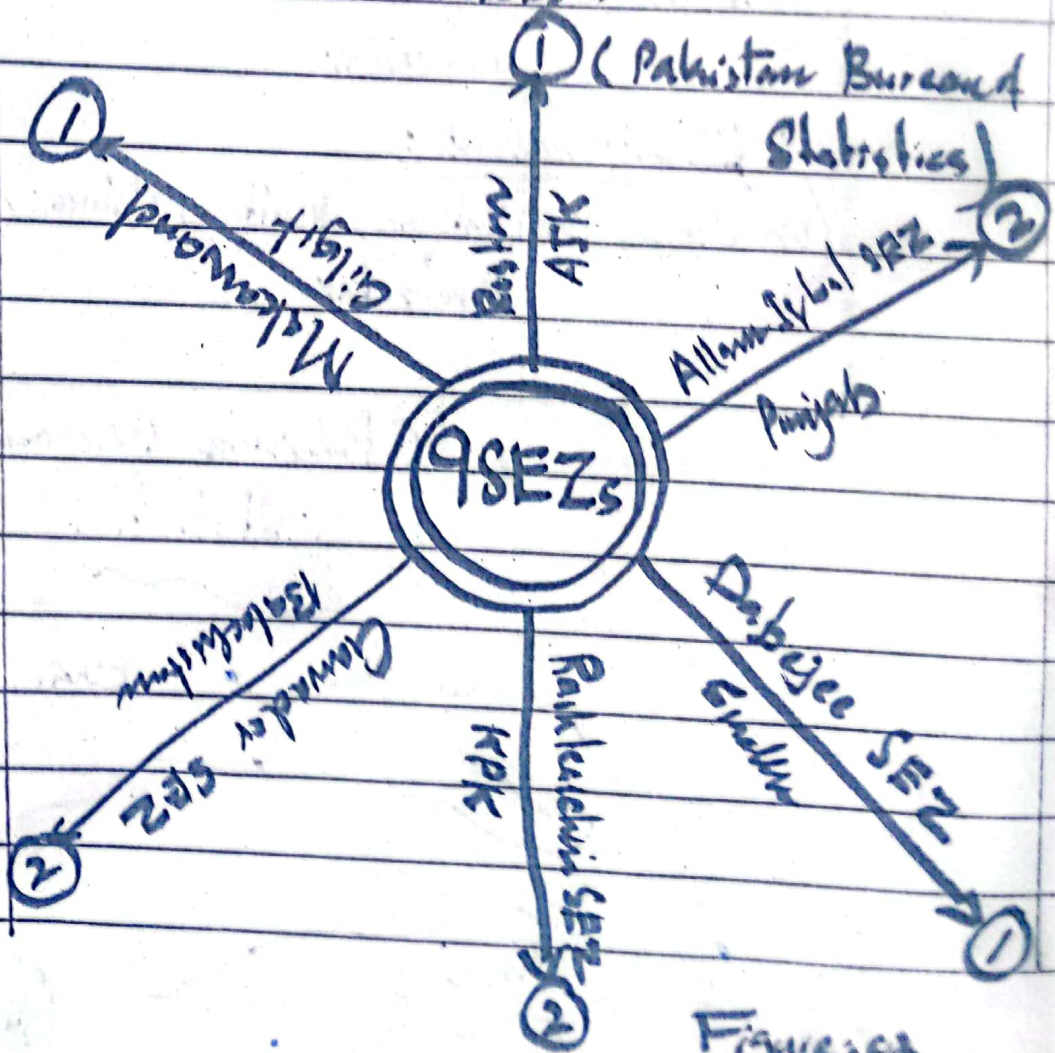

Hence, CPEC has connected both countries.

c) Super Industrialization: The largest Asian industrial development

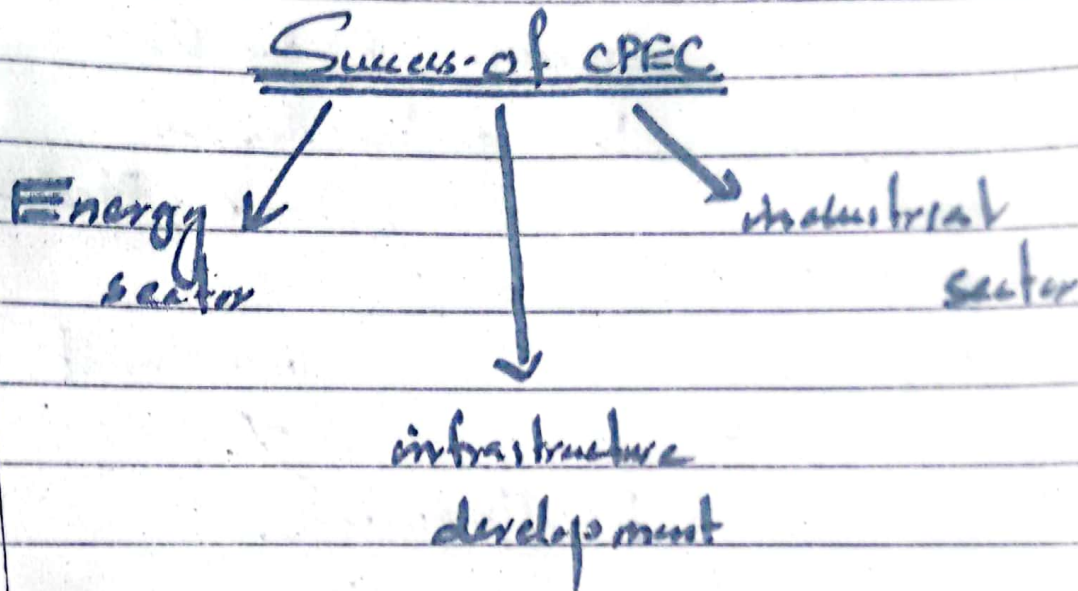

Further, CPEC is industrial project. Fortunately, it has led to "Successful industrialization."

"9SEZs are growing industrialization in Asia."

Figures 03

Thus, CPEC has led to successful industrialization.

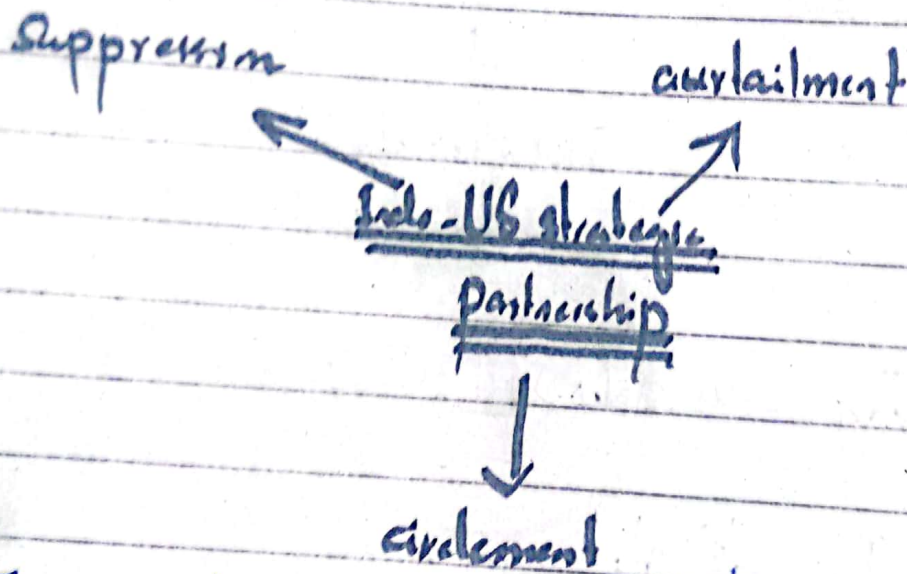

5 An overview of failure of CPEC  
Following is  
cite of it:

1) Indo-US strategic partnership and curtailment of CPEC

Growing India-US strategic partnership is mainly to curtail CPEC. Unfortunately, China has claimed the attempt regarding CPEC curtailment.

China is observing  
circlement, curtailment,  
and  
suppression of the US-  
Indo partnerships...  
(Chinese Media)

Thus, Indo-US strategic partnership  
is a cause of its failure.

India's claim on territory: The  
SCO FM's meeting: Analysis  
India has also  
aggression on CPEC. In fact,  
India has claimed on territory  
SCO meeting.

"India supports connectivity,  
but it does not mean  
to give up its own  
territory."

(Jaishankar)

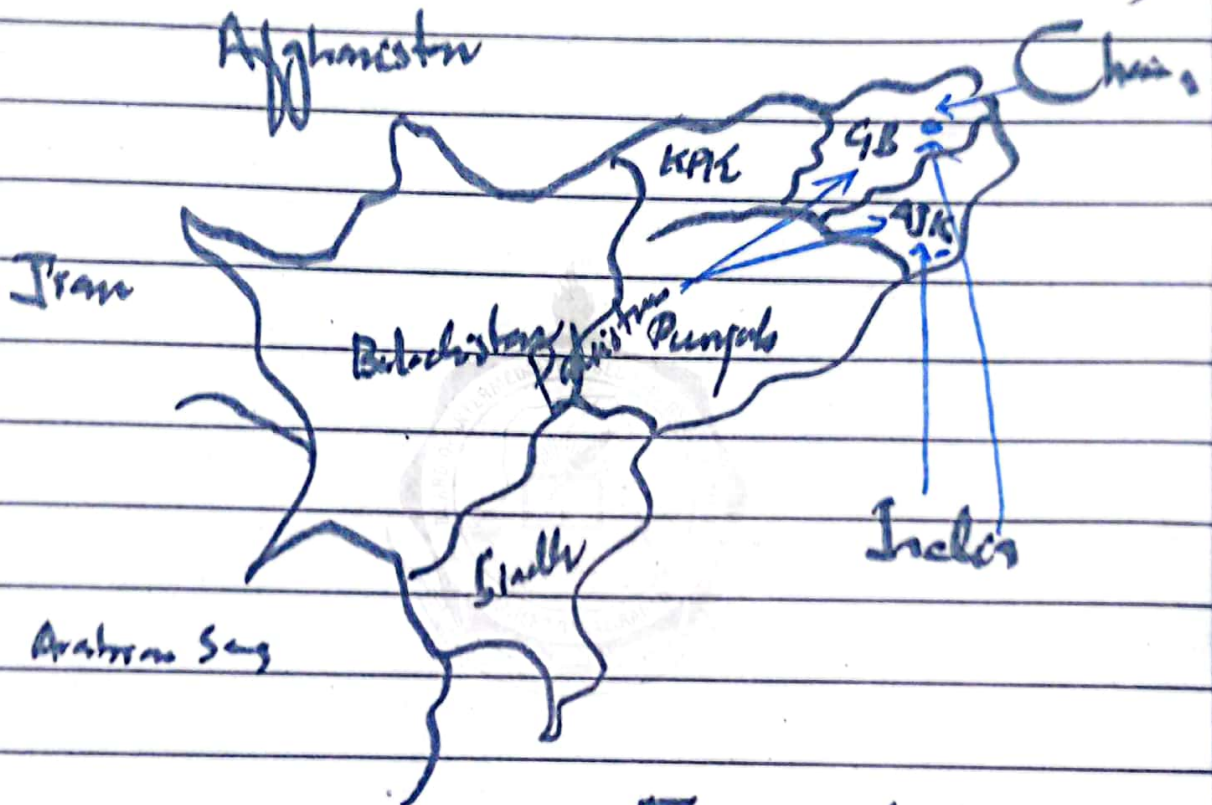

Figure: 04

Thus, Indian aggression also led to  
failure of CPEC.

c) Attacks on CPEC developmental  
labours: Dasm Attacks

Moreover, attacks

on CPEC developers is also a main cause of CPEC failure. In fact, attacks on CPEC labours stopped its construction

'Dosa attack on CPEC led to threat to CPEC-success..'

(Toqeer Hussain)

Thus, CPEC developers attack is also a cause of its failure.

Failure of CPEC

Indo-US strategic partnership

India's claim on territory

CPEC-labours attacks

6 Conclusion

"CPEC is a successful leg of BRI."

(Xi-Jinping)

6

CPEC is become a successful project. In fact, Pak-China celebrated the decade of CPEC in 2023. Mainly, CPEC seems to be successful. However, it faces some challenges so. Therefore, CPEC is a successful project.
