6: Conclusion

Sub Heading: Reduce the inflation level in the country

There are many other ~~reason~~ options through which inflation level is reduced in the country, among them the main important is character of economy in the country. Because ~~a~~ economy is the only thing through which inflation is reduced. Pakistan is suffering from high inflation since the ~~2000~~ ²⁰⁰⁰. In 2023, April Pakistan faced high inflation in history of Pakistan "29%" (Pakistan Bureau of Statistics, ~~the~~ May, 2023); Therefore, many other reason through which inflation is reduced, but the main important is need of economy in the country.
