Title: External and Internal Pressures of Pakistan.

Precis: In the explanation of a book writer explains that only an external pressure and power can destroy the morals, ethics, discipline, and religion of the Pakistani soldiers but they would never allow any single entity to disturb the conduct of the forces or to destroy and invade the state. However, the internal affairs are based on the religion and ~~the~~ multiple Islamist groups destroy and cause collapse to the unity of the citizens which results in skirmishes. As every individual is self-centered related to his own ethnicity, sectarianism, caste, creed, race that they ~~are~~ are incapable to bare any other group in front of them. The unity among the citizens is destroyed.
