Precis

Title: Visit to Cherokee

During vacation, Author had decided ~~to~~ went to a Cherokee and visited the Qualla Boundary surrounded by mountains scenery. There is Indian village with tribal art and lifestyle of the 18 century and the outdoor historical parade playing since time weekly in the summer. The shops were filled with weapons, traditional head dresses, and tents. In Cherokee Author was met the George who went to tell Cherokee is not only depend on trade. During the tour-off period Bingo-weekends was a only way for income. This area was attracting the people for games.

At the end Autor was visited the museum where hand made things made up of wood, stones and other items related to Cherokee origin are displayed.

Translation:

Generally people believes that law of a country or a freedom of a man is opposite to each other. Apparently, it does not a wrong notation. Every law imposes some restrictions on citizens. If the number of laws are greater in a country than overall restrictions also greater. Because of greater restrictions, the liberation of a man is to be overwhelmed. Contrarily, if the number of laws are less than the domain of citizens freedom is widened.
