

Topic : Youth bulge in Pakistan: an asset or a liability?

Attention grabber: On December 17, 2023, a moment etched in the annals of youth bulge dynamics, a young boy's pent-up emotions ignited a historic spark. Little did he know that his act would set the stage for a youth bulge in the making. This Tunisian teenager, a humble vegetable vendor pushing his cart, self-immolated in protest against police harassment. His profound gesture reverberated across the nation, igniting a wave of demonstrations against the soaring cost of living and entrenched authoritarianism. Thousands of young people, echoing his pain, joined in, leaving an indelible mark on the country's landscape.

Connecting sentence: This incident serves as a stark reminder that when youth are guided in the right direction,

they can be an invaluable asset; however, when led astray, they may become a considerable liability.
