

English Essay *writing*

Body Paragraph *expression*

SUBHEADING *not is academic*

Negative impact of social media on youth.

Topic

Sentence

Although social media has a lot of useful advantages but it has some negative impacts on youth as well. one of them is 'wastage of time'

Reasoning

The reason behind it is that people want to watch the material *content* which is charming for them. That's why they waste a lot of time on social media.

Supporting point.

The attractive thumbnails of the social media are somehow responsible for the distraction of youth.

Evidence.

When a person visit social media for searching something, he completes it ~~within~~ (within) (10-15) minutes, after this he starts scrolling on social media and wastes ^{a lot} most of his time.

"If you don't plan your time, someone else ^{will} help you to waste it."

conclusion Statement

so we should plan our time in the way that how much ^{time} is suitable for social media and how much for other purposes.
