Title: <sup>Effects</sup> ~~Affects~~ of climates on <sup>humans</sup> ~~human's~~.

Different climates have different <sup>effects</sup> affect on human's character. <sup>Extreme</sup> ~~Extrem~~ cold climate <sup>obstacle to what?</sup> ~~is~~ acts as an obstacle as it reduces physical exercise and ~~training~~ of energy. Hot climate also make human's ~~lazy~~ and drain their energy to work. However, moderate cold has a ~~bracing~~ effect on human as they do ~~tough~~ work to keep ~~them~~ <sup>themselves</sup> ~~self~~ warm and ~~to~~ <sup>fed</sup> ~~feed~~. People who live in tropics ~~they~~ need little warm clothes with little food to sustain life there. <sup>Humans prepare</sup> ~~Human~~ prepares themselves for different season ~~and they~~ need to ~~live~~ in these seasons.

Idea is generally ok but mistakes found.  
Structure needs improvement.

Title : Dealing with Children.

The Author accuses modern educational for giving more importance to not interfere with children rather than enjoying their company and presences. if a person likes children as they like their own pets they will more loving and less completely towards children. On the contrary children never like being treated as social objective. The only way to deal with children is with love and teachers having pleasure in their presence. This will comfort children without destroying their mental health. It is hard for overburden teachers to like children and deal them with ~~love~~ <sup>by their</sup> liking. Teachers contact should be limit to two hours a day as being with children is tiresome specially when strict rules are avoid as love and affection of teachers can be more suitable towards children.
