Sub-Heading: Nuclear challenge to world peace during the 21st Century.

Topic Sentence

Nuclear weapons have posed a serious nuclear challenge to world peace during the 21st Century.

Explanatory Sentence

This is because the nuclear weapons can cause great destruction, death and have a wide area impact and with every passing day these technologies are becoming even more destructive. ~~are not used easily.~~

Supporting Point

The first nuclear attack was done in World War II, where two countries Hiroshima and Nagasaki were destroyed completely. As for today nuclear weapons, if used, can destroyed the world in few seconds.

Evidence/ Example

The nuclear war The aggressive war that Russian Federation is waging in Ukraine has rekindled ^{rekindled} fear about nuclear weapons 75 years since the first atomic bomb was used. Russia is thinking of using nuclear Deterrence in this war.

(Belfer Center for Science and International Affairs, Francesca Giouannini, Spring 2022)

Conclusion

In Hence, This is would be a serious threat to world peace and for those countries, especially, which have no nuclear weapons.

pronouns should clearly indicate what do they refer to
