Sub Heading: Reduce the inflation level in the country

There are many other ~~reason~~ options through which inflation level can be reduced in the country, among them the main ^{one} ~~important~~ is ~~the~~ adopting of economy in the country. Because ~~a~~ economy is the only thing through which inflation is reduced. Pakistan is suffering from high inflation since the ~~2000~~ ~~2000~~. In 2023, April Pakistan faced the highest inflation rate in the history of Pakistan "29%" (Pakistan Bureau of Statistics, ~~the~~ May, 2023); there are therefore, many other ~~reasons~~ ^{ways} through which inflation can be reduced, but the ~~main~~ important one is ~~the~~ adopting of economy in the country.
