Hunger Crisis. September 1, 2023, Mir Sher Baz). Therefore, the economy impact on the lives of Pakistani people

Conundrum Economy and its impact upon children:

Conundrum economy leaves great impact upon children's life. Children are the future of a country. If the children are not properly nourished then they cannot take part in the progress of a country. Pakistani people cannot give proper food to their children due to the economic crises. If people cannot feed their children properly then they become the victim of various diseases. The SDG 2023 report shows that the world is moving in backward in eliminating the malnutrition in the world. It shows that "Despite the global effortⁱⁿ 2022, the 45 million children under 5 faced wasting and 198 million children are stunted and 37 million are overweight. (Pakistan Persistent Hunger crisis, sep, 1, 2023, Mir Sher Bazi)
