Title:

Merits and Demerits of Changing Things.

As time passes, things are changed in the world. Those cities emerge as a wonder places for trade and tourism which were ruined hundreds years

ago. As <sup>change</sup> changing is a continuous process. Man's invention purpose to

bring easiness for himself. Life in past was very difficult but modernism

makes it more <sup>convenient</sup> convenient. However,

Some bad changes by some cruel

like Genghis Khan and Hulagu-  
Khan of Mongolia. They destroyed

cities and their civilization completely which <sup>portrayed</sup> portrayed their brutality. Baghdad

and Dehli are two prominent examples of such <sup>tyranny</sup> tyranny. However, due to

changing process the life has ~~been~~ started <sup>again</sup> there by divine blessings.

Mistakes identified. Grammar needs improvement.
