

Ques Is world peace responsibility of only global powers?

use marker

Date 14 09 23

all keywords of topic must be used in thesis or

Outline

1. Introduction

Thesis Statement: World peace is equal responsibility of all nation states. However, global powers have a greater role in establishing it. They are mostly sole creators of world peace.

Use a better synonym w.r.t. "peace"

2. Measuring parameters of global powers for promoting world peace

3. World peace is only the sole responsibility of global powers (Thesis)

- a) Dictating powers of implementing policies
- b) Economic hegemony of global powers over global economy
- c) Manufactures of world advanced technology and weapons
- d) Influence of on world through national decision-making
- e) Contribution in mediating warring nations
- f) Possessing most of nuclear weapons and technology

clarify

c & f are overlapping

4. Others have also role in establishing world peace
- a) Nation states maintain peace without pledging ^{accepting} dictating policies
 - b) Raising economic independency and stability of nation-states
 - c) Powering lethal weapons thereby getting balance of powers
 - d) Increasing role of international organisations in world politics
 - e) Increasing peacekeeping missions of multiple organisations
 - f) Striving for nuclear technology to avoid existential threats

5. However, global powers have a greater role in maintaining world peace
- a) Threatening to impose sanctions who resists
 - b) Creating healthy environment of competition rather ^{than} containment
 - c) Exporting weapons to maximise security to maintain peace
 - d) Avoiding direct interference in internal affairs of sovereign states
 - e) Diplomacy is key in fighting against hating states
 - f) Avert providing nuclear technology thereby reducing armament rate

6. Conclusion

examiners like the papers which do not require them to make connections, or to ponder over the written material, rather everything is expressed in clear terms, without ambiguous phrases etc and with strong cohesion and coherence. In outline, that can be achieved by self explanatory headings and organizing the arguments logically

content is good, improve clarity of expression and flow of presentation of arguments

exchange the sequence of 3 and 4 to maintain the sequence of arguments given in thesis st
