The Psychological Overview of Unhappiness

There is commonality among various psychological causes of unhappiness. Generally a person focuses on satisfying his wishes that have remained unfulfilled in his youth.

~~and~~ ~~he~~ has no concern in activities involved to satisfy his desires. Presently,

this part is incoherent

a ~~man~~ person seeks distraction to escape unhappiness. Therefore, he involves himself in negative means to bear the burden of life and

find temporary escapery in the name of pleasure. A few numbers of people exist today and so

simplify this sentence

were in the past, who find pleasure and pride in unhappiness

These wise ones are aware of the reality of life and universe. The person with such view is unhappy but he feels satisfied ascribing displeasure to be the part of nature of the universe.

~~and~~ ~~if~~ hence, it is thought to be logical.

This pride makes nature of unhappiness suspicious to them. Thus, lack of

them who???

pleasure is enjoyed.
