(Latuh 128) 1 1202 10RA SHARIF Day: 9-09-2023 Describe the characteristics of Military Strategist in the dight of Seevah of Muhammad with arguments: (2016) start with the introduction of the question. The life of Holy Prophet encompasses all model for all markind. Each and every action of Holy Prophet is a vole model for an exemplary life. Beside all the faculties as a military Stranget too, he ( sear be upon him get the most perfect examples of sagacity and prudence. Throughout his life he exhibited the most consummate military deadership skills, fox protecting Muslims as well as pascent Islamic state. Whe he annouced his 'Krophethood, he invited people to the Way of peace but most of them rejected and forted him & his Johnwess to leave their hometown of Makken. He was cammanded by Allah Almegyly to defend Islam and Muslims against the enemies of Islam in armed way. After reaching Madirah and establishing the first Islamid city State in 622 AD, the Holy Prophet give more attention to military organization of Muslims as the infield were adamant on annihilating them. The Bophet SAW) introduced 2 new concept in military Strakegy "Tihad fi Saseel Litah and emphasizeel that a win in patterield will only by the grace of All-Mighty 20

\_\_\_/\_\_\_/202 Prophet Muhammad was known for his consultative approach when it came to making impostant decision, especially inmatters I warfare the world consult with his companions to seak their advice & opinions. Bady - Whether to fight or not:-Before the battle of bady the Prophet Muhamman (peace be upon him) consulted with his companions about whether to engge in battle or not. Some of his companions expressed their opinions, & everhally, the deusion was made to proceed with battle. This consultation demonstrate Prophet Commitment to consenses & collective decision making. The battle of Badr twent out to be a significent victory for Muslims. Uhud: Whether to Fight inside or outside Madinah:-At battle of Unude the Krophet Muhammad sought the counsel of his comparions regarding the battlefield strategy. Some suggested that they Should remain inside the city of fight, while majority suggest key should fought outside the city. However, diving battle, there was a breach in plan, deading to herepted challages for Mostim khandag (battle of trench)-How to tackle the large numbers of the enemy: Before the battle of Trenh, when Muslim Community fored a large cognition of enemics Salmon at fars, a companion who was not from Arabia, suggested a trusch digging as defersive measure. This proved a effective

Appointment of Usama bin Zaid: The appointment of Usama bin Taid as a Commanders of a social military expedition, ever though he was just 12 years old at time.

However, Bryshet choose him because of leadership

potential, competence & understanding of military Strategy. Fleknowledge the fact that use of trickery The use of trickey and deception in workare is a strategy that has been advocatedged & employed throughout history.
"Hax is deception" Wax is deception is offer attributed to Various sources within Islamic tradition, Including Bhukhari, Muslim, Aby Cawoods & Ihn Majah. One of the most notable instances of deception during battle of the trench was When a Muslim, No'aym ibn Misul, pretented to have defected to enemy side and suggested to them that he copa sow discord among Muslims. He successfully gained attention Es toust among enemy. This led to confusion and division among enemy toxces
