

Date: _____ precise 2022 title?

Human beings when came across with the mysteries of life, want^{ed} to communicate with the superior powers and want^{ed} to know about God's ✓ wishes. In Ancient Greece, these wishes were ~~used~~ ~~to be~~ decoded by soothsayers who give their oracles by different signs sent by ✓ gods. The interpretation of ✓ dreams and palmistry was also famous. when god did not give signs, they talk^{ed} directly the prophet or prophetess in a state of ecstasy who then deliver messages from god. Oracles were located with in sanctuaries associated with gods. Apollo, was responsible for conveying to mortals ^{one sentence only} ~~merge these two~~ the decisions of Zeus. Among all oracles at the Delphi, the oldest was that of Dodona, that functions with the help of Zeus.

avoid picking words from the main passage

Title: Myths of Ancient Greece.

title is satisfactory
main idea is picked and dicussed
title is written at the top not the end
word count is essential and it is not written

over all alot of room for improvement
6/20
