

Q#2:

Write a precis of the following passage in about 120 words and suggest a suitable title: (During my vacation..... exotic place).

A memorable trip to Cherokee

The author describes that he had struggled hard in choosing a place for the tour during his vacation. As, he wanted to visit a place where he could find less crowd. On the suggestion of his friend, they took flight to Cherokee and they explored the town of Cherokee 'Qualla Boundry', which presents the history of Cherokee to the tourist. They visited shops and museum full of articles representing the culture and history of Cherokee. They learnt by one of the natives of Cherokee that how Cherokees would have earned by different sources of income. Among those, the profitable source was Bingo Weekend. The author liked the country and he would plan his next trip to one such place.

out of 120 words 6 words are the same  
it is well understood that they went to cheroke not need to  
tell again and again

Words in passage = approx. 483 words  
Words in precis = 120 words.

not satisfactory at all

too much useless explanation

whereas the english language barrier point and george are missing in the preicse

0/20

poor content

Q#02

Write a precis of the following passage and suggest a suitable title.

During my vacation .... exotic place -

A memorable trip to Cherokee

The author describes that he had struggled hard in choosing a place for the tour during his vacation. As, he wanted to visit a place where he could find less crowd. He became happy when his friend suggested a trip to Cherokee. He and his friend took a flight to Cherokee and explored the town of Cherokee named Qualla Boundary which presents the history of Cherokee to the tourists. They visited the memorial shops of Cherokee, filled with its traditional things. In their visit, they met with one of the natives of Cherokee who invited them for lunch. He told them how Cherokees would have earned by different ways. Out of those ways, the best is Bingo Weekend from which they get profit. In the last, they visited the museum full of articles representing the history and culture of Cherokee. The author liked the country and <sup>he</sup> would plan his next trip to one such place -

Words in passage = approx. 483 words
