

Corona VIRUS (COVID-19)

In ~~March~~ ^{from} March 2020, I came back ~~from~~ university and switched on the ~~TV~~. There was ^a shocking news ~~wandering~~ on different news channels. The ~~news~~ ^{news} was about ^a virus which had been spread ^{across the} in country since February. The name ^{of} the virus was ~~Corona~~ ^{Corona} virus. Then ~~something~~ ^{NI} something clicked my mind that everyone ~~was~~ in the university ~~was~~ ^{was} ~~feeling~~ ^{feeling} low, coughing and sick. ~~The fact~~ was that I was ~~unaware~~ of ~~the virus named corona~~. Corona ~~is~~ ^a deadly virus which is contagious. It spreads from one person to another ~~person~~. The symptoms of virus ~~was~~ ^{were} cough, fever, fatigue and ~~an~~

severe level, breathing difficult.
Everyone was trying to
save themselves from this
deadly virus. ~~The disaster~~
was ~~that~~ it did not have
any medicine, remedy or
vaccine to ~~fight~~ fight
against ~~this virus~~. The
doctors ~~were~~ ^{gave} ~~only~~ ~~giving~~
precautions to people like to
~~wear masks~~ wear masks, and
keep distance ~~stay away~~ from a person who
is showing any symptoms.
The government also imposed
restrictions ~~law and order~~ and strict
fine on people if they
were not wearing a mask. ✓
To conclude, it was bad
time but ~~had~~ it time pass ed
on, ~~Pakistan~~ beat it efficiently.
