## Morally Sensitive Intelligence and Human Survival

The chance of human survival is only possible by making his intelligence morally sensitive. It is <sup>or</sup> ~~respects~~ challenge for educational institutes. Traditionally morality was the duty of religion. But later on, religion <sup>was</sup> ~~is~~ dominated by worldly temptations. The principles of Practical man are based on Machiavellianism, that Power is morality and morality is power. This simplification increases the chance of nuclear devastation. We must hope that educational institutes ~~have~~ <sup>are</sup> ~~possibility~~ <sup>are</sup> committed to introduce moral sensitivity as an integral part of human intelligence.
