Helplessness of Afghan Taliban in
TTP's issue.

Afghan Taliban ^{as} is helpless in
TTP's issue. In tackling and address-
sing ^{with} the TTP's issue Afghan Taliban
seem hesitant. Especially, addressing
the issue by force, Afghan Taliban
can face the following issues;

Firstly, Afghan Taliban and TTP
had the same ideology against
the NATO forces and they fought
for two decade together. Secondly,
Both claim same ideology - Islamic
governance. Third and foremost, taking
any physical step against TTP can
trigger internal disruption. Fourthly,
targetting TTP's ideology can
raise question ^{about Afghan Taliban's own} ~~their~~ ideology. There-
fore, from the above evidences Afgh-
an Taliban ^{are} unable to tackle
with the issue of TTP.
