Revival of Civilization

Decomposition of a civilization does not mean rise of a new civilization. Efficient people are unutilized that they can replace us and become our spiritual leaders in future. They are already playing their roles in civilization and all getting affected by forces of barbarism ~~forces~~. They ~~only~~ can recover only by our recovery.

Ethics are essential elements of civilization because they work on our beliefs and judgements to mark reality. Only ethical force can change immobility into its revival. The view exists that revival of civilization is not possible with experience of crowd instead with individual personality or character only ethical movements

can protect us from uncivilization.
The future of a community depends not only on perfection of its institutions but also on the worthiness of its individual members. The natural qualities of individuals and the method of its working in public influence each other. ~~It~~ Although, collective body effects more than individuals. It cause destruction by the means of spiritual and moral obstructs. It makes society unable to understand and solve their problems. Therefore, its individuals responsibility to produce new spiritual ethical ideas.
